Dear Parents and JIS community

Out and about with the JIS students!

Congratulations to Team Phoenix – yellow team on winning the swimming gala again this year! It was great to have the whole school community together in the pool area this morning for our annual swimming gala. The SIS team had done another fabulous job in preparing some of the traditional competition races as well as some new fun games and relays for us all. Mixing competitive events alongside some excellent water safety and fun swimming training games allowed everyone to be involved and earn some valuable points for their teams! Well done to Stephanie Tsui and all her staff at SIS on another really enjoyable gala.

A big thank you to all the parents and siblings who took the plunge and took part in the family relays. The competition overall was very close it was so wonderful to include the P1 25m events for the first time this year. Congratulations to yellow Phoenix team on their success for 2 years running. No doubt the red Dragons and blue Pegasus teams will be chasing hard next year.

ESSPA – Bake Sale – Thank you from all of the ESSPA volunteers for the donations to their bake sale today.

There was plenty to go around and all the swimmers and guests enjoyed a post gala snack or two!

Battle of the Books – the first battle at Shatin Junior school

The JIS Battle of the Books team went down the road on Wednesday to ESF Shatin Junior School for their ‘battle’.

The team was against 4 other schools who had all spent months reading, memorizing and rehearsing 20 books. Our team was strong – having thrashed the teachers the week before. There was a bit of a nervous start where the team lost a few quick points in the early round but they got into their stride in the other rounds with some excellent scores. The team did not win this battle, beaten by an excellent team from Shatin Jnr but did themselves proud by fighting hard and being close together and supportive as a team! Well done to all the team members and a big thanks to the JIS staff and some parents who read the books to devise lists of questions and answers for the team to practice with.

JIS inter house football tournament:

As part of our initiative to make the school house system an integral part of school life Mr Jason (PE) arranged an inter house football tournament when the swimming pool was closed for maintenance. Each colour team played against the other two colour teams once in a round robin competition.

For Senior P.5 and P.6 games, Red Dragon won.
For Junior P3 and P.4 games, Yellow Phoenix won

Thanks to Mr Jason and the PE department.

P6 Bhangra workshop and school P3-6 workshop assembly.

Well done to Ms P in P6 for arranging another great workshop opportunity for her students within their 'How we express ourselves' unit of inquiry. Exhausting, great fun, great music, fabulous feel good factor – the workshop and assembly had it all! The power and passion of dance to unite people was clearly apparent in our MPR on Wednesday afternoon!

Well done to P6 and everyone who got involved!

ESSPA elections of officers: sign up to get involved for 2018-19

Please consider joining our school parent community association as a way to get involved or support the school. Each year there is a community election for a group of parents who meet together to plan and organize different events for the school the students and the community. It is a great way to get involved in the school but it is not too time consuming, ask one of the existing committee members for more details. Kim Murch the current President of ESSPA has sent out some details and attached a form, please sign up and get involved. Nomination forms can be left in the blue box in the school office. The school belongs to all of us and we can work together to make it as good as possible!

School place deposit for 2018-19

Next week we shall be sending out full details of the deposit system for next year’s school places at JIS. In order to support the school in planning for the next school year we ask all JIS parents to pay a non-refundable deposit for their school place for next year.
