

JIS World Book Day Reading Challenge

BOOKathon 2019

Here's how it works:

1. Find a Sponsor

Ask relatives and family friends to donate a certain amount for every book you read.

2. Make a List

Write down the name of your sponsor/s and their pledges on the sponsorship form provided.

3. Start Reading!

Note down the titles of the books you have read from 12th Apr to 2nd May. Make sure you are able to talk to your parents about the books you have read.

4. Collect Your Sponsorship Money

All money collected, as well as the sponsorship form, should be submitted to your teacher by 2nd May. Funds raised will be used in purchasing books for our library and for the charity *Room to Read*.

5. Await for the results!

We will celebrate our achievements on 3rd

May, Friday (JIS World Book Day Celebration). On this day, you can also come to school dressed as your favourite book character!

READING TIPS

- Try to read a variety of fiction and non-fiction books.
- Choose books that are suitable for your reading level. (Older children - you may choose a mix of picture and chapter books.)
